

# Anette Raaby

Global Inspiration &  
Noble Purpose Institute

## Who am I?

My motto and my inner driving force are that I am not afraid of anything. I have hiked at 4 km altitude on Machu Pichu (Peru). I am a licensed diver. I have paraglided in the Andes even though I have a fear of heights. I feel strongly dedicated to help leaders and organizations to unfold their potential.

I live my dreams to the fullest, drink champagne and say "Yes!" to life. I am married to Bo and we have 3 wonderful children.

**My 10 words :** authenticity, mindfulness, verve, spirituality, freedom, honesty, humility, passion, divine living.

**My values :** authenticity, integrity, excellence, equality

## My pledge to Mankind, Society & the World.

### Why do I do what I do?

My mission is to help leaders grow and develop to set free unredeemed potential as a benefit to themselves, society and the world.

### How do I want to help?

### What expertise do I bring?

By including an open and holistic approach with systemic thinking, integral philosophy, a search for the question behind the question and integrating the emerging future.

By identifying and integrating facts, feelings and needs from a systemic perspective, including phenomenology, social constructionism, quantum physics, narrative approach and the appreciative inquiry.

By linking all the relevant and available knowledge and information together with organizational strategy, leadership and the divine purpose and through this create unique results.

## What have I realized so far?

Facilitate retreats and executive leadership development seminars on a monastery Island in Montenegro. Create results for my customers within organizational development, recruit the right candidates, help dismissed managers finding new assignments, support managers releasing their full potential through executive business coaching, board optimizations, conflict management. I counsel entrepreneurs in innovation. I establish and facilitate business network for leaders/warm leadership. I work with stress management from a systemic perspective. I write business columns and lecture in leadership for new leaders. Actively involved in several innovative projects within stress research and personal development.
